

FEW CARS RUNNING IN COLUMBUS TODAY

All Are Preceded by Police On Motor Cycles and Are Accompanied by Officers In Autos

FIRST ARREST OF A STRIKER OCCURRED TODAY

Mayor Marshall Is In Personal Charge of the Situation—No Attempt Made to Import Strike Breakers—Will Call Out Militia If Necessary.

Columbus, April 30.—The second day of the street car strike started with five cars running, each accompanied by an automobile load of police and preceded by police on motor cycles. The cars were practically empty.

Three arrests were made at the south barns just after the first car left. One man was caught soaping the tracks and two others attempting to cut trolley ropes.

The first arrest of a striker occurred this morning when E. L. Sellers, one of the four men whom the company refused to reinstate and who brought about the strike, was taken into custody for pulling a trolley pole off a South High street car. Union men went on his bond.

John Bratt, arrested yesterday for pulling a trolley down, was given 60 days in the workhouse and a fine of \$25 in police court today.

Up to noon most of the passengers that any one of the five cars had carried at one time was two.

The mayor, in personal charge of the strike situation, has ordered his men not to construe looting and jeering as disorder.

No attempt has been made as yet to import strike breakers. Union men claim that they are still recruiting many to the union.

Columbus, April 30.—Gov. Harmon, "That it undoubtedly would mon, after a conference with Adjutant General Weybrecht and State Labor Commissioner Wines decided to ask representatives of the company and the union to meet with him late today to try and settle the strike. "This is a matter which vitally affects the safety and welfare of the people of Columbus," said Governor Harmon, "and I want to do all in my power to bring about a settlement."

Gottlieb Weber, strike sympathizer, was arrested for stoning a car marked U. S. mail, and was jailed on an intoxication charge. Up to 2 o'clock only six arrests had been made and two more cars had been added to the five which ran all morning.

Thousands of Columbus workmen will swell the big labor parade Sunday afternoon. Wm. Hough, who is superintending preparations for the parade, said:

"It will be an orderly and quiet manifestation of the workmen's sympathy with the car men. No rowdism of any kind will be tolerated. Musicians of various kinds will lead the marchers."

Columbus, O., April 30.—Today is expected to produce a reliable test of the comparative strength of the striking car men and officials of the Columbus Railway and Light company.

Efforts of the company officials yesterday afternoon and last evening were centered on the effort to secure a sufficient number of men to operate cars beginning at 4 a. m. today, following a complete shut down at 10 o'clock yesterday morning as a result of rioting.

After laying careful and complete plans for action the moment strike-breakers appeared this morning, the strikers sought to secure a little sleep last night in anticipation of long waking hours today.

Mayor Marshall may issue a ukase closing every saloon in the city the first thing this morning. This was indicated by his statement last

night. "That it undoubtedly would become necessary to close the saloons."

Some doubt was expressed last night as to the authority of the mayor to close them.

If the local police are found to be incapable of maintaining absolute control, Mayor Marshall may order all cars off the street today and turn the situation over to the governor, rather than risk loss of life through violence on the part of unbridled mobs.

Meetings of the union men were held at frequent intervals during yesterday and all assignments had been made before midnight for picket duty. The men were elated with the success gained by tying up the entire system, and predicted the absolute refusal of nearly every non-union man in the employ of the company to take cars out today.

At a meeting of the union at 4 o'clock yesterday afternoon, 97 new members were obligated, according to Organizer Fred Fay. The strikers believe they will succeed in persuading every street car man to join the union with little delay.

Strike leaders declare nearly every man on the side of the company would be lined up with the strikers today. Members of the union receive a benefit of \$6 per week when on strike.

Violence and disorder prevailed through yesterday morning. Throngs filed High street from the south barns to the Union Station, and frequent demonstrations on the part of strike sympathizers resulted in depredations of varying degrees of violence until at 10 o'clock it was decided by the company to send all cars to the barns.

Mayor Marshall assumed active charge of the police at an early hour. Protection afforded men and property of the company was criticized by company officials and a formal demand for adequate protection was

made on the mayor. They intimated that an appeal would be had to the governor if satisfactory arrangements were not forthcoming. Mayor Marshall later called on Governor Harmon and reviewed the situation for his benefit. He spent the day in making police details for today and retired at the Nell House at 10:30, leaving a call for 4 o'clock. Director of Public Safety McCune planned to join the mayor at that hour.

No steps toward a peace overture were taken and no appeals were made to the courts yesterday or last evening.

Effect of the tie-up accomplished by the men yesterday was a complete transformation of the entire city. Miles and miles of tracks were bare of cars throughout the afternoon and throngs of men and women gave side streets the appearance of a Saturday afternoon in High street. Wagons, pressed into service as a means of slow transportation, appeared early in the morning. Hundreds of automobiles were in demand and by 3 o'clock in the afternoon scarcely any kind of conveyance was available at any price.

The only exception to a complete shutdown of the car service was in the extreme end of North High street. Cars were sent out of the North High barns intermittently during the day and up to 6:30 o'clock last night. Short runs were made. The cars were, with few exceptions, unmolesed.

Street car service with Western (Continued on Page 9, Col. 5.)

SENATOR BURROWS AND CONGRESSMAN TOWNSEND OF MICHIGAN

Washington, April 30.—Senator Burrows of Michigan is going to run again, after all, for the United States

senate. Denials that he would not be a candidate for re-election have been issued from his headquarters here. Congressman C. E. Townsend will oppose the Michigan senator.

DAUGHTER

Of the Governor Fell in Love With Deputy Marshal Sentenced to Prison for Embezzlement.

Los Angeles, Cal., April 30.—James McHale, formerly deputy United States marshal here, was sentenced to two years and three months imprisonment for embezzling \$27 by padding his expense account while in the employ of the government. McHale was extradited from Sinaloa, Mexico, after a flight of two years, during which Gov. Canedo's own attorney abandoned McHale's cause.

The appearance of the attorney in the case revealed a romance. McHale had been sent as deputy to Sinaloa on official business. There he met Senzita Canedo, daughter of the governor.

They fell in love and their engagement was announced. Then came the crash. McHale's accounts were found to be off \$27, and the law reached out for him.

Senzita Canedo has been sent to Europe to recover from the affair.

TO DEMONSTRATE HYGIENIC KISS

New York, April 30.—Announcement was made today that at a bazaar to be held by the National Pharmaceutical Society, an organization of registered drug stores at Palm Garden, beginning May 9, there will be frequent demonstrations of the "hygienic kiss."

This kiss is distinguished from other kisses in the fact that, in addition to the usual cost of characters, the kisser and the kissed there is used in the hygienic kiss a device consisting of a bit of unperfected silk gauze in an ivory frame.

This piece of excess baggage is the invention of a German chemist. It is his theory that persons who want to kiss will feel safer if they kiss through this device, which he thinks will cause a marked decrease in the number of cases of crum, whooping cough, etc.

He thinks so well of his invention that he will sell applicants at the bazaar.

ALLOW KISSING AND HUGGING

Cleveland, O., April 30.—Kiss and hug will be allowed in the city parks this summer and during with the use of either one or two hours will be tolerated.

Such is the good news that greeted the young people of this city today when Chief J. E. Jones, of the park police force, announced that the ban on spooning in the parks will be lifted. The chief, however, stated that the lights in the parks will be turned off at 10 o'clock and that the parkmen will be instructed not to overlook their duty to the effect that the matrimony market may become bearish.

"Far be it from me," Chief Jones says, "to blot the city's dreams."

YEGGMEN BLOW ANOTHER SAFE

Peebles, O., April 30.—Expert yeggmens blew the safe at the postoffice here early today and escaped with a small amount of money and stamps.

Blood hounds are on their trail.

MRS. JAMES S. SHERMAN WINNING FAME FOR HER PLAIN HOME DINNERS

Washington, April 30.—If there is any way better than another to win fame and popularity it is via the home dinners during the month of May, which are due to wind up the Washington season. "A vice president is never overstrong in Washington circles," said Senator Dewey, "but when a vice president has a wife that can cook as Jim Sherman's wife can then he surely becomes of some importance. If Mrs. Sherman keeps up her May dinners people would better look out or Mrs. White House."

COMPROMISE REACHED AS TO LEVY OF TAX LIMIT BILL

Columbus, O., April 30.—Action was had upon the measures of major importance in the General Assembly yesterday. After agreeing to the recess, beginning tonight, the senate passed the Langdon tax commission bill and sent it to the lower branch for the purpose of securing a conference committee.

That body agreed to the policy of appointing this special committee to sit during the recess, and, acting under the leadership of Representative Langdon, refused to concur in the senate amendments.

Today the senate will insist upon these changes and the appointment of the conference will follow. Under the compact the committee will report a bill on May 10, when the General Assembly will meet to take a sine die adjournment.

DISPUTE OVER TAX BILL

Vastly important was the decision during the day of the conference committee upon the dispute over the terms of the tax limit bill.

Final agreement was reached through which a compromise measure was reported. In effect, it is the same as the so-called Smith bill, which the house adopted.

Under the terms of the report the state starts at 10 mills. If this amount is not sufficient to raise to the amount brought out by taxation in 1909, plus 4 per cent in 1911, 9 per cent in 1912 and 12 per cent in any year thereafter, the levy must be increased without a vote to 15 mills, exclusive of sinking fund and interest levies.

If it is proposed to go beyond 15 mills the question must be submitted to the people of the taxing district for their approval before any action can be taken. The practical effect of this provision for a reference is to insure an ultimate levy of 15 mills even under extraordinary circumstances.

Because the Democrats of the senate lined up and defeated the efforts of Senator Baker to have the Leblond bill passed over the governor's veto, the unauthorized deficiency bill was also killed.

The Leblond bill authorized the payment to W. H. Bell by the city council of Cincinnati, \$3500 damages for injuries received while in the city's employ. The deficiency bill contained a dozen similar claims from state militiamen.

The house today concurred in the conference report on the Alsdorf-Smith tax limitation bill and it now goes to the governor. The house also passed the Matthews senate bill amending the Valmore anti-trust law, from which the senate extracted the tenth yesterday. The vote was 68 to 2. The Alsdorf bill, a board of three members to have control and management of the four penal institutions, was also passed.

FACES TRYING ORDEAL

Trial Depends to Great Extent
Upon Secretary's Showing Un-
der Cross Examination.

Washington, April 30.—Somebody lied—that's certain.

The congressional committee investigating the conservation fight today is confronted with the necessity of determining whether it was L. R. Glavin, former field agent of the land office, or Secretary of the Interior Ballinger.

This sudden, direct issue of veracity presented in unevasive terms is now before the committee in the simple form of a flat contradiction. It is set forth in sworn verbal testimony and in sworn documentary evidence.

In the sweeping denials to charges against him Ballinger testified repeatedly that Glavin deliberately and willfully lied. Glavin's sworn testimony is before the committee. Glavin was not alone in being branded as a false witness. Former Secretary Garfield shared the honor and Special Agent Horace Tiffard Jones was accused of swearing to false statements before the committee. There are many other points where the only question now raised is that of veracity.

On Secretary Ballinger's ability to withstand cross-examination depends to a great extent the future course to be pursued in the inquiry. Ballinger said today it was his first experience as a witness and he was glad to have one day of it over. His intense nervousness impressed the audience. He is ill at ease in the witness chair. His foot beats a restless tattoo on the floor; he is brusque at times in answering questions put by his own attorneys; he drank four glasses of water during the day—quick, nervous sips after every few sentences. A casual reference to his aged mother in a letter completely unnerved him and he wept. In cross-examination he faces two entirely opposite types of lawyers. L. D. Brandeis, counsel for Glavin, who is sharp, loud, voiced, growl-headed and domineering, and George Wharton Pepper, counsel for Clifford Pinckney, who is suave, polite and soft voiced. Upon Brandeis will devolve the opening of the cross-examination. By his "calls" for documents from the interior department he has indicated that he intends thoroughly to delve into certain phases of the conduct of the interior department which have not yet been brought to the attention of the committee. He was expected to take advantage of a precedent set by the committee early in its hearings, where a witness was forced to testify as to some of his past business deals, to confront Ballinger with some of the alleged unprofessional actions charged against him by a weekly magazine.

That Brandeis has saved his fire for Secretary Ballinger was evident several weeks ago when he asked permission of the committee not to cross-examine Assistant Secretary Pierce and several other minor witnesses until after he had questioned Ballinger. One of the most important points upon which the attorney was expected to grill the witness is the question of when the summary and report of the attorney general absolving Ballinger of the Glavin charges was actually prepared. The document is dated September 11, 1909. Brandeis charges that it was not prepared until November. He was also expected to delve into the charge made last fall in certain magazines that the letter signed by President Taft on September 12, 1909, which exonerated the secretary of the interior, was actually prepared in the interior department under the direction of the secretary.

Most observers at the "trial" expressed the opinion today that the ultimate issue of the case depends to a great extent—if not wholly—upon Ballinger's showing under cross-examination.

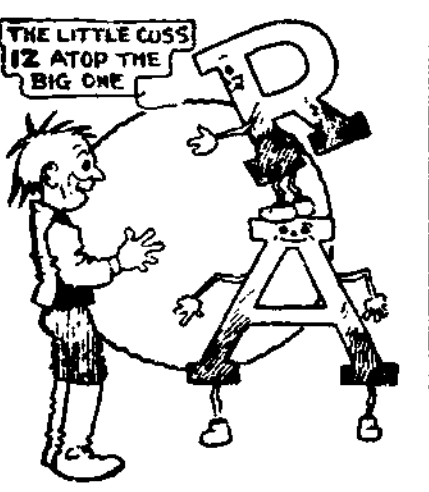

PUGILIST DIES FROM INJURIES

San Francisco, April 30.—Tommy McCarthy, light weight pugilist, died today from a fractured skull sustained when he was knocked to the floor in a fight last night with Owen Moran, the English champion. Moran, his seconds, and McCarthy's seconds, both of whom were brothers of the dead man, were arrested.

OBITUARY

MR. CHARLES W. BOURNER.

Mr. Charles W. Bourner, one of Newark's best known and most highly respected citizens, died at his home, 327 West Church street, about 9 o'clock on Friday night, after an illness of some time with anæmia. He had been illing for about a year and a half. He had been down street Friday and in the evening ate his supper as usual. About 8 o'clock he was seized with a spell of vomiting of a very severe nature and being in a very weakened condition was unable to stand the strain and collapsed. He died half an hour afterwards.

Charles W. Bourner was a son of Mr. and Mrs. Caleb Bourner, and was born in Newark on North Fourth street on December 24, 1858, and was therefore in the fifty-third year of his age. He had lived in Newark all his life and for a number of years was a member of the city council. He was married in 1880 to Miss Ada J. Tabler, who was of Virginia parentage. From this union four children were born, all of whom are living, being Mrs. Queen V. Lage, Frank W. and Otto C. Bourner of Newark, and Mrs. M. E. Jones of Detroit, Mich.

When fifteen years old the deceased began working for himself in the planing mill on the old Garber & Vance site, and has been engaged in that business all his life, for a number of years being in partnership with Charles Nutter and conducting the mill on the east side of Front street. He was a member of Cedar Camp, No. 4727, Modern Woodmen of America. He is survived by his brothers Frank and Martin Bourner and sisters Mrs. W. W. Alspach and Mrs. James Alspach.

The funeral services will be held at the home, 327 West Church street Monday afternoon at 2 o'clock, and interment will be made in Cedar Hill cemetery.

MR. JAMES SPELLMAN.

Mr. James Spellman, one of the oldest and best known residents of Licking county, died at the home of his son-in-law, Mr. Asbury Monroe, in Franklin township, on Friday afternoon about three o'clock, after an illness of some time with the ailments incident to advanced age, he being 80 years old at the time of his death. He is survived by one son and one daughter. The funeral services will be held at Pleasant Chapel Sunday at 12 m., and the interment will be made in the adjoining cemetery.

MRS. GABRIEL HOUCK

Mrs. Gabriel Houck died Friday evening at her home near Homer, after an illness of only three weeks. Mrs. Houck was one of the most highly esteemed ladies of Burlington township, where she had resided nearly all her life. Besides a husband and daughter, she leaves a host of friends who will mourn her departure. No funeral arrangements have been made.

BROWNSVILLE FARMER DEAD.

Albert Smith, aged 35, a farmer of near Brownsville, died Friday after a two weeks' illness from spinal trouble. His widow, three children, and his father, of Fultonham, survive.

The funeral services will be held at the Brownsville M. E. church Sunday afternoon at two o'clock. Rev. Mr. McCleary of Mt. Perry officiating. Interment will be made at Brownsville cemetery.

REMARKABLE CURES

Are Said to Have Been Made at Carey (Ohio) Shrine

Upper Sandusky, O., April 30.—Remarkable cures occurred the past week at the services of Our Lady of Consolation Church at Carey. Among those cured were Mrs. Annie Moore, of Toledo, who had been unable to stand alone or walk on account of paralysis; Mrs. Fisch, of Euclid avenue, Cleveland, who had twice been operated on for tumors; Sylvester Remslater, of Cincinnati, who has had frequent falling sickness; a woman from Akron, who was at the shrine two years ago, has been entirely cured of hemorrhages. Elizabeth Cnemeyer, of 3637 St. Lawrence avenue, Price Hill, was cured of nervous prostration, and Mrs. Elizabeth Macke, of Price Hill, who was deaf. An aged woman from Belaire who was blind can now see.

HOTEL HARRIS

At Buckeye Lake Park Under Management Mrs. L. M. Smith.

Mrs. L. M. Smith, formerly proprietress of the Hotel Smith, at Woodstock, O., has leased the magnificent 40-room Hotel Harris at Buckeye Lake Park, and will commence the season with everything fresh and bright. The Hotel Harris is one of the finest equipped hostelrys in the state and is situated at the park, convenient to all the points of interest. Tomorrow the official opening will take place and the season begin. Mrs. Smith will be pleased to quote rates to all who contemplate an outing at this beautiful Ohio resort. Write or call on Hotel Harris, Buckeye Lake Park, Ohio, Mrs. L. M. Smith, Lessee and Manager. 30-d-14

ALLEGED YEGG CAUGHT.

Chicago, April 30.—Thomas Bailey, said by the police to have been one of three confederates who robbed the National bank at Chateworth, Ill., of \$9,000 on February 17, was arrested here today.

DON'T YOU THINK

That if all you young men who stand on the streets at night and throw into the street your empty tobacco packages and cigarette boxes, and if all you women and girls who eat candy and throw the empty bags in the street and if all you men who throw envelopes and circulars and handbills and bits of paper in the street; and if all you newboys who leave bits of old rope and paper on the sidewalk; and if all you good people from the country who eat fruit and peanuts and throw peeling and hulls in the gutters. Would just throw all these things in the trash-boxes? NOW DON'T YOU THINK the streets would look better? Honest Injun, now, wouldn't they?

WEIANT & CRAWMER

Partnership Formed After Mr. Weiant Bought National Biscuit Bread, Cake and Candy Business.

W. S. Weiant has bought from the National Biscuit company the bread, hand cake, and candy business and has taken H. O. Crawmer in as his partner. The firm name will be Weiant & Crawmer.

A. B. Pine will be the sales agent for the National Biscuit company, No. 52 South Second street, telephone No. 595 where the grocers will be supplied with all the good things the National Biscuit company makes.

Weiant & Crawmer will enlarge the factory at 34 Hudson avenue. (The Weiant Bakery) and expect to make it one of the best plants in the state for all good things to eat in their line. This will make a good thing for Newark as it will employ all the bakers and confectioners they now have and many more.

Scott McCracken, who has been shipping clerk for the National Biscuit company, will look after the city sales on candy for Weiant & Crawmer. Mr. Crawmer has been cashier for the National Biscuit company for twelve years. The change is effective May 1.

HAGENBECK-WALLACE GIVES GREAT PARADE

Newark people were up bright and early Saturday morning to witness the unloading of the great Hagenbeck-Wallace circus trains which arrived in the city from Columbus, where they stowed Friday.

The huge caravan arrived about 6:30 and was greeted by hundreds of Newarkites, both old and young. The main attraction of course was the unloading of the elephants, and there were thirteen of these big pachyderms all of whom behaved just as nicely as possible.

The big tents were pitched on the show grounds at the corner of Eleventh and Church streets and the parade made its appearance at the noon hour. Owing to the fact that the circus was late in reaching the city the parade was necessarily delayed.

When it made its appearance coming up Church to Third streets and thence around the square, it was greeted by thousands of spectators.

SPENCER CASE

CLOSED BOOK

When the April 28th decision of the National Baseball Commission was announced, the National League and American League clubs of the Western League had acted clearly within their rights in turning Young over to the Arizona club.

In the former case the commission stated that the Boston American League club and the Denver club of the Western League had acted clearly within their rights in turning Young over to the Arizona club.

RAYMOND QUILTS M'GRAW'S GIANTS

New York, April 29.—"Bugs" Raymond, who, between things, used to pitch ball for the New York Giants, quit the game yesterday. The thirty-three-year-old pitcher, who had another run in with Manager McGraw, who insisted that "Bugs" was drawing a fat salary, was thought to dry out at least once a week and be in form. To this end McGraw established a water cure "Bugs" and the pitcher, who received, declaring he was no longer a pitcher, to which McGraw is said to have replied: "No, but soon." When last seen "Bugs" was in a happy frame of mind.

BALL TOSSERS GETTING GOOD HARD WORKOUT

The kids at the ball lot drew a very satisfactory workout from the prize package of Friday afternoon, for the weather man loosened up for the first time and put a really decent brand of atmosphere in during the afternoon.

Naturally they took advantage of the day and the practice was up to the minute in every particular. Pitchers batted out on a play that was a marvel. A short hit over first looked good and the runner was traveling on toward second, but Hassel sprinted over the ground like a frightened rabbit, and hauled down the ball with his bare hand.

Other circus stunts were pulled out during the afternoon, and taken together the boys showed very nicely in every way. Even though today is circus day and the average ball player is like the average small boy on such an occasion, Manager Berryhill is making the athletes work hard at Wehrle park. The bands blare in the distance, but the Molders toss the pellet around the tamond, for circuses and ball practice are two different things, especially when the weather has been dead against the ball boys, and the practice is needed more than is a sight of the circus—so Bob figures it.

Catcher Murray was turned adrift last night by Manager Berryhill, and it was a case of his size being against him. He had some things to learn, probably, about the catcher's art, but he was a clever youngster handicapped by his size. No other releases will be handed out, probably, until after the games Sunday when the Molders will stack up against the C. M. A. team of Newark and the Interurbans of Columbus.

In talking about those teams, one may say that while the Ohio States should beat them, for either or both might show such form that the Molders would be unwilling to witness no times, still that is baseball, and that is what makes the game good. Just as an instance might be cited a case of Thursday where the Upper Sandusky team, a gang of independent ball players, defeated the Youngstown Steelmen, of the O. & P. league by a score of 6 to 4. Kid Koehl pitched for Upper Sandusky and allowed seven hits. His work was highly complimented by the Youngstown bunch.

Every pitcher and every catcher on the roster will appear in the Sunday games, and if the weather is like it is today there should be a mammoth crowd present to see the boys work and to cheer them on if their efforts are worthy of cheers. In practice it is the same as in a game—applause, a sign that their work is appreciated, encourages the player to work harder than ever so the ball fan should be liberal with his favors.

The first game tomorrow commences at 1:45 o'clock, and the early fans will be able to pick the choice seats from the grandstand and bleachers. The grandstand is about the most comfortable affair that can be imagined, for opera seats have been installed. These chairs are sold the same as in a theater, the tomorrow there will be no reserved seats, but a small admission will be charged for a seat in any part of the structure.

MARION DIGGERS EASY PICKING

Marion, April 29.—Dayton's Central League team won from Marion Friday 9 to 1 in an uninteresting game. Marion outfield again demonstrated its lack of class. Zmich was hit hard but received poor support. Score: R. H. E. Marion 1 0 0 Dayton 9 1 0 Batteries—Zmich and Reilly; Justus and Martin.

DEFEATED OBERLIN

The debating team of the Newark High school added another scalp to the large number already collected when last night they journeyed to Oberlin and defeated the academy team. This was Oberlin's first defeat and much credit is due Prof. Patterson who has charge of the team consisting of Truesdale Stevens, Quincy Cheadle and Hugh Kiszane.

LINEUPS FOR SUNDAY

Following are the lineups for the Sunday games:
Colts vs. C. M. A.—Gossett c. Emmert p. Doerr m. Davis 1b. Conley 2b. Pavey ss. McClelland 3b. Herring lf. Russell r. Kendall rf.
Regulars vs. Columbus—Kendall rf. Long of Franken of White 2b. Minger 1b. Conley 2b. Hanna ss. Rutherford c. Anderson c. Hollingsworth. Ellerson and Lorette lf.

NEWARK HIGH DEFEATS DOANE

Newark High school defeated Doane academy yesterday, 8 to 4. Newark "aved a poor game up to the fourth inning, but after that they played a real, clean, fast game and won out. Doane started off with five runs, but Newark kept plugging away and won out in the last two innings. McCann was hit hard at the beginning, but settled down after the fourth inning and Doane could not touch him. The features of the game were a running one-handed catch by Brown and two three-baggers by Mitchell. The score:

	ab	r	h	po	e
Newark H. S.	10	4	8	0	0
Miller ss	4	0	3	0	0
Sachs 2b	4	1	1	1	1

Two base hits—Wright, Keyes, Rupp. Three base hits—Mitchell 2. Double play—Miller, Brown, Seck. Empires—Black and Clayton.

WENNERS MATCHED WITH "CYC" KELLE THURSDAY, MAY 5

Manager Win Davis, who looks after "Rube" Weners, has arranged a match for him in Newark, Thursday, May 5, with Cyclone Keller of California. Keller is said to be one of the cleverest boxers in the country, and when the mitt artists go on at the Music Hall, lovers of the game in Newark are assured of a contest of skill from start to finish.

Several preliminaries are being arranged and Manager Davis is trying to put on the best card of boxing ever seen in the city. Weners hasn't appeared in Newark for some time, and his friends will be glad of the opportunity to see him in action again.

BRILLIANT GROUP STUCK TOGETHER

No group of stars as brilliant in the baseball sky as Fred Clarke, Hans Wagner and Tommy Leach have ever held together as long as Pittsburg's Big Three. Starting out at Louisville when the Kentucky metropolis was the owner of a major league franchise, they have spent 15 years of service in Dreyfus harness, and are right now in their prime condition, due, the smart set say, to the perfect mode of living in private life and sober methods at all times.

BOWLING

In the two man match last night on the Brunswick alley, Blime and Harbottle took three straight games from Minor and Rolph. Harbottle had high score and also high average. Scores: Rolph 135 135 135 135 135 135 Minor 132 132 132 132 132 132 Blime 132 132 132 132 132 132 Harbottle 142 142 142 142 142 142 Totals 538 538 538 538 538 538

CRISP BITS OF BASEBALL NEWS

As a result of the recent slump of the Naps, Manager McGuire has announced several changes in the lineup. Stovall goes back to first, Lajoie to second, Turner to short, and Grane to center field. "Dode" Birmingham is relegated to the bench.

Joe Raddy of Grand Rapids, has turned down an offer for the services of Paul Cobb, brother of the famous Ty. Paul does not seem to be making the sensational reputation his brother is and will probably wind up in some minor league. Raddy says that he has already signed men whom he considers stronger than Cobb.

Walter Salm, former Stogie, was sent in as pinch hitter for Louisville in a game the other day, and with ten thousand people yelling at him for a hit, "Casey'd."

Willis Humphries, secured by Wheeling from Pittsburg, is claimed by Jersey City. Bill Phillips is positive, though, that he will stay with the Stogies.

The O. P. league starts its season without a leader, as the league directors have not as yet appointed a successor to the late Sam Wright.

Johnny Kling tried to make a speech at the opening of his vaudeville engagement in Chicago recently and "bullied" the part.

Curt Elston is batting as clean-up man for the Providence Eastern league team. It's Curt's proper position, all right.

Dick Cooley, who during the course of his varied baseball career has played with nearly every team in the Central is now with Danville in the Three I league. He played third for a part of the 1908 season with Zanesville.

A bill legalizing Sunday baseball by amateurs between 3:30 and 6:30 p. m. was squeezed through the New York assembly by a vote of 77 to 67. Speaker Wadsworth, who played first for Hartford when in college, surrendered his gavel in order to speak in favor of the bill.

NEW LEAGUE IS ORGANIZED

Grand Rapids, Mich., April 28. — The Michigan State League of Baseball Clubs was organized here yesterday afternoon, with Manistee, Ludington, Muskegon, Cadillac, Traverse City and either Greenville or Holland as the sixth club. Tom Jones of Grand Rapids, was elected president. Application for protection under the national agreement has been filed. The season will open about May 28.

MATCH IS MADE.

Philadelphia, April 29. — Sam Langford and Tommy Burns will meet in a 45-round fight before the Metropolitan Athletic Club, San Francisco, Sept. 5. Langford's manager posted \$5000 here to assure the colored man's appearance. The men will fight for a \$20,000 purse.

A Godsend to the Sleepless.

"A Physical Wreck in Bed, Back on the Job in Three Days, after Taking Duffy's Pure Malt Whiskey, Which Restored My Health and Enabled Me to Sleep."

Mr. James Byrne writes as follows:—"I want to tell you of the benefit I have derived from the use of Duffy's Pure Malt Whiskey. I am a hotel clerk 32 years of age and for four years have been at night work. Eating irregularly and trying to sleep in the daytime had made me a very weak man physically, and as thin as the proverbial whip. I was finally compelled to take to bed. I started to use your Pure Malt Whiskey and in 3 days I was back on my job.

"Be sure and say to every night worker that it is a Godsend. Tell them I am sleeping fine, eating with a real appetite and am regaining my lost flesh, which is the hardest thing for a night worker to do. I thank you again and again for Duffy's Pure Malt Whiskey."—James Byrne 129 S. Illinois St., Indianapolis, Ind.

No medicine has stood the test of 50 years like Duffy's Pure Malt Whiskey and always been found absolutely pure and full of good medicinal virtue. Men and women in all walks of life join in singing its praises as the true elixir of life which invigorates body, brain and nerve.

Duffy's Pure Malt Whiskey

If you wish to keep young, strong and vigorous, and have on your cheeks the glow of perfect health take Duffy's Pure Malt Whiskey regularly, according to directions. It tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere.

CAUTION—When you ask your druggist, grocery or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It is an absolutely pure medicinal malt whiskey and is sold in SEALED BOTTLES ONLY—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00 a large bottle. Write Medical Department, The Duffy Malt Whiskey Co., Rochester, N. Y., for a free illustrated booklet containing testimonials and rare common sense rules for health and true advice.

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

New Perfection Oil Cook-stove

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out. Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the top up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.

Every dealer everywhere if not at your, write for Descriptive Circular to the nearest agency of the The Standard Oil Company (Incorporated)

Coroner
DR. W. E. WYIARCH, DR. CARL J. DILLON, DR. W. L. EVANS.

April 30 in American History.
1789—George Washington inaugurated first president of the United States in New York City.
1803—The Louisiana Purchase exposition at St. Louis dedicated by President Roosevelt.

ASTRONOMICAL EVENTS.
(From noon today to noon tomorrow.)
Sun sets 6:51, rises 4:54; moon rises 12:56 a. m.; planet Mercury visible; 11:30 p. m., eastern time, all Jupiter's four outer satellites on east of planet; 1:20 a. m., moon in conjunction with Uranus, passing from west to east of the planet.

The program of this farcical Legislature is to take a recess today until May 10, which is to be final adjournment day. All the matters of consequence that have passed either house are to be referred to conference committees who are to do the threshing out necessary for agreement and report to both bodies on the adjournment day. Then, without further consideration, the measures are to be passed or defeated. The very method of such procedure shows how incapable the present Legislature has been to make laws for the people. That it will pass into history as a farce is a certainty.

NOT YET.

Has Hy Davis walked up to the cashier's window and paid back what the graft probe committee found that he owes to the state?

The country is just now entering upon what promises to be the most important congressional campaign in its history. The outlook for Democratic success was never better and with the nomination of good men all along the line it should prove a year of great victory for the plain people.

THE TILDEN OF THE BUCKEYE COMMONWEALTH

Governor Harmon has been worth at least half a million dollars to the state of Ohio, for he has made tolerable Republican officials return that amount to the state treasury. It looks as if he were the Tilden of the Buckeye commonwealth. — Springfield (Mass.) Republican.

Governor Harmon has been giving to the people of Ohio an administration founded on old-fashioned ideas of efficiency in public service and honesty in high places. And he has gone about this business without any spectacular fuss or self-adulatory advertising.

He has discovered possibilities and performed duties in recent years unknown or ignored by occupants of this executive chair. His whole administration has been a revelation and an inspiration. And what's more, the people know it—Columbus News.

ALPHA AND OMEGA.

Too much Taft in the first place killed the Woods utilities bill in the last place.

Cheney Silk Neckwear, something new, only 75c at EMERSON'S, Cor. Third and Main. 29-21

Halley's Comet—Theodore, we are two of the best advertised fellows in existence.

OIL AND GAS NEWS.

The Columbus Gas company has moved its string of tools from the Basil-Baltimore field to Madison township, near Mt. Perry, where it will drill a number of wells to test this territory as it has quite a block of leases in this field.
The Mutual company will drill in its well No. 1 in the Bremen field within a few days. It is located within 200 feet of one of this big Rhodafer wells.
The Traction company drilled in another good well at Buckeye Lake a few days ago. Another location has been made along the right of way between Hebron and the Lake.
The McLure company is about 3000 feet down with its well near Crooksville. It is progressing nicely with this well and has great hopes as the same stratus are being found in this well as were encountered in the Ohio Fuel company's well in Crooksville.
The Capital company has declared its initial dividend of 10 per cent to the stockholders payable on the 1st day of May. This stock is mostly held by Columbus parties.
The Crusade company has its derrick erected for well No. 3 on the Burgoon farm in Jackson township and will commence drilling at once. Contractor Murphy will do the drilling.
The Ohio Fuel company pulled the casing in its well No. 1 in the Crooksville field last week and gave the well another shot, using 200 quarts. This well is nearly 3,500 feet and it is reported to be good for 20 or 25 barrels per day.
The Rabbit Foot company has completed its well No. 1 on the Lewis Smeizer farm south of Bremen and it is reported to be a good well. It is reported that it will start No. 2 on this farm in a short time.
The Carter company is installing a complete telephone system throughout the field where it is operating and will connect the same with its main office in Bremen.
The Great Expectation company has

has tubed its well No. 1 in the Bremen field and will start pumping the same at once. This was the wonder of the Bremen field when it was drilled in and for some time afterwards.
The Rhodafer company has started drilling on its well No. 10 on the Rhodafer lease in the Bremen field. It now has nine wells drilled in and nine producers.
The well drilled in by Root and Barry on the Naly and Park hotel lots in Bremen is reported to be a duster. Bremen does not seem so successful with town lot drilling as Junction City.
The Eureka company drilled in a good well on the Bachus lot in Bremen field last week. It is at present having some trouble with its casing and the production cannot be estimated.
The drillers at the Heisey well on the Showman farm have shut down on account of a crooked hole.
The traction company drilled in a dry hole this week on its right of way between Hebron and Buckeye Lake Park.
Kinsey Bros., contractors, started Monday to rig up on the Mrs. Margaret Freese farm east of Purity. The well is being put down by the Everett Co.
The Everett Co. have pulled and plugged the George Griffith well four miles northeast of here. The well was drilled about two years ago and has always given trouble.
The Columbus Co. has rig No. 2 upon the J. C. Neil farm in the Union field.
The Columbus Co. well on the Davis farm east of Hebron is due to come in Saturday.
The Columbus Co. has started to drill on the Eugene Beecher farm in the Union field.
The Logan Co. has made a location on the Chas. Rader farm three miles south of Newark.
The Everett Co. well on the Dr. Dawson farm north of town is due for the sand Saturday.
Knex and Hawes Hats for Men—known as the best at their price, at Hermann's the Clothier. 39d2
Two things that never should get old—pumpkins and asparagus.

Appetite Gone—Nerves Unstrung. Sleepless. Thin. Pale. Tired. "Last spring my health was completely broken down. My appetite was gone and I was in unstrung nervous condition, unable to sleep. I became thin, pale and was languid and tired all the time. "Hood's Sarsaparilla restored me to perfect health. It aided the worn out nerves of my digestive organs to do their duty, and I was once more able to eat and properly digest my food. I slept peacefully the entire night, and now I feel new life and vitality course my veins." Julia C. Tison, 901 West Monroe St., Jacksonville, Fla.

Hood's Sarsaparilla

Is Peculiar to Itself. It makes people well and keeps them well.

REAL TEMPERANCE.

(Man-field News)
It might be well for those who think the cause of temperance in drink can be promoted by local option, or state-wide prohibition, to make honest and unbiased investigation as to conditions prevailing in the banner prohibition state, Maine, where such a measure has presumably been entered for half a century, but where today there is a greater degree of drunkenness than in the great majority of states where liquor is freely sold.
What's the use of being an ostrich and burying your head in the sand in the vain endeavor to make yourself believe certain things do not exist because you refuse to look at them?
If a national measure could be enacted absolutely prohibiting the manufacture, importation or sale of anything in the shape of an intoxicating liquor anywhere in American territory it might prove of benefit to the cause of temperance in drink. At least it might mitigate agitation on this subject to the extent that some very good people could get their eyes open to the fact that there is intemperance along other lines which is causing more deaths, misery, suffering and untappiness than intemperance in drink ever caused.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Newark People to Neglect.
The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Newark.

G. E. Walton, 129 Valandigham St., Newark, O., says: "A few years ago gave a public statement regarding the merit of Doan's Kidney Pills, and at the present time I gladly confirm that testimonial. My kidneys were inactive for years, and caused dull pains across the small of my back often changing to sharp twinges. The constant standing necessary in my occupation greatly aggravated my trouble and I was in misery. Hearing of Doan's Kidney Pills I procured a box at Crayton & Co.'s Drug Store, and they soon removed every symptom of the trouble. I think very highly of Doan's Kidney Pills and am constantly recommending them."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no other.

Alberta Farm Lands

Would the owner of a farm in Licking county, which would raise from 30 to 55 bushels of wheat to the acre, 60 to 120 bushels of oats, 40 to 60 bushels of barley, 3 tons of timothy hay to the acre, have to wait long for a customer at \$25 per acre? The land in Alberta is as fertile as the best farm in Licking county.

It is Selling at \$9 to \$18 Per Acre

You have 10 years to pay for it. You save a big, strong, honest concern to deal with, that has a world a reputation for honesty and fairness. Six T. C. Cargill in Pacific Ry. Co. They will put in your crops, harvest them for you.
A young man will spend a life time in paying for a good farm in Ohio.

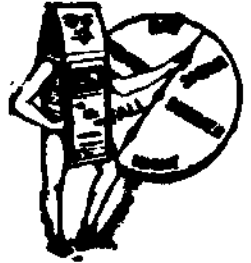

He can do it with one or two crops in Alberta and have double the amount of land.

See me about the climate, terms, products—anything or everything, and join our excursion Tuesday, May 3d.

THE LODGES

Knights of Pythias.
The regular meeting of the Past Chancellors' Association of the 19th Pythian district will be held on Wednesday evening, May 4, beginning at 8 o'clock in Castle Hall of Altamaha lodge No. 296, Granville, and you are cordially and earnestly invited to attend. The entire evening will be given over to the Past Chancellors. There will be music, speeches and a general good time, followed by a banquet. Past Chancellors from all over the district have announced their intentions to meet with us and the prospects are good for a large attendance and we trust the most successful convention ever held in this district. Invitations have been extended to members of subordinate lodges in the district. Knights come and enjoy a social evening.

Roland lodge, No. 395, is enjoying one of the most successful seasons of its history at the present time. Each meeting night two or three applications for membership are read and much important business transacted. At the regular meeting in Tuesday evening three Pages were given the rank of Esquire. Two applications for membership were received and referred. After the meeting the entertainment committee served doughnuts and coffee. Next Tuesday night the Page rank will be conferred on two candidates. An invitation was read from Altamaha lodge, No. 296, of Granville, for all Knights to attend a big celebration to be held in the castle hall of Altamaha lodge on next Wednesday evening. The occasion is the quarterly meeting of the Past Chancellors' Association of the Nineteenth Pythian district. The indications are that a large delegation will attend from this city.

Ben Hur.
At the regular meeting of Alpha Court, No. 51, Tribe of Ben Hur, held on Monday evening, April 25, there was a good attendance of the members. Four applications were received and five candidates were initiated. The team, under the direction of Brother Baker, put the work on the floor in fine shape. The members are working hard to increase the membership. At the reg-

ular meeting of the Court to be held on Monday evening, May 9, the last dance of the season will be had. The members are requested to come early, and all friends of the order are invited.

Modern Woodmen.
Cedar Camp No. 4727, M. W. of A., met in regular session on Monday night. Eight applications for membership were received, balloted upon and elected to membership. One candidate was found in waiting and was adopted as a social member. The officers and team are practicing regular upon the new ritual and will have it down ready for the class adoption which will be held the first meeting in June. On Monday night, May 9, Cedar Camp will hold an open meeting and smoker for the neighbors and friends. The meeting will consist of short speeches and vocal selections and a light lunch will be served. Several applications for membership are now in the hands of the clerk. The officers and team will practice the floor work after the regular business is over next Monday night. Neighbors, remember that the annual Memorial of the Modern Woodmen of America is the first Sunday in June.

Sons of Veterans.
The rifle squad is booming and under the direction and efficient drilling of Capt. F. G. Steele will soon be in excellent shape. Join the Sons of Veterans, enlist in the rifle squad and you'll benefit yourself, serve your country admirably and advertise Newark.

Red Men.
Minnewa Tribe No. 52, Improved Order of Red Men, met in regular session on Friday night. Three petitions for membership were received and referred to committees. The committees appointed upon applications at the last meeting reported and upon ballot the pale faces were elected to membership. At the regular meeting in May the adoption degree will be conferred upon several pale faces. The Relief Chiefs report that there are still

brothers upon the sick list and unable to follow the hunt, but all are improving. A great many of the chiefs and members are making arrangements to attend the Great Council which will be held at Columbus the second week in May. All Past-Sachems who have not as yet taken the Past-Sachems degree, are requested to make arrangements to be at the Great Council meeting on Tuesday morning and receive the degree. All haymakers are invited to be in Columbus on Thursday afternoon as the Ohio State Haymakers' Association will be instituted by one of the national officers.

Haymakers.
On Wednesday night, April 27, Minnewa Association No. 52 1-2 met in regular session. Four applications for reinstatements and three applications of Tramps were received and elected to receive the work at the next regular meeting. It was also decided that at the next meeting that a parade would be had and all Hay-makers are requested to be present in full costume to take part in the parade. On the next meeting the regular election of officers will be held, the work conferred and a lunch served and a good turnout is desired. This no doubt will be the last time that the work will be put on until the weather is cool again and we want to have a big class of tramps for the work on the night of May 25. On May 12 the big barn will be raised at Columbus and the Ohio Haymakers' Association will be instituted by the National Collector of Straws, Mahlon Trumbauer, of Philadelphia, Pa., and the Columbus Haymakers have pledged

their word that all haymakers will be shown a good time. The Great Council of Ohio which will be held during the week of May 9 to 12.

K. O. T. M.
Octagon Tent, K. O. T. M., always meets in regular review on the first and third Wednesday nights of each month. We have work in both the first and second degrees Wednesday night, May 4. The degree team is getting in good shape and is able to do the work in a very pleasing way. Our Tent is steadily growing, for Sir Knight Chas. Hurlbaugh, our efficient Record Keeper and Tent Deputy, is always on the lookout.

"HELLO" GIRL

Spurned Love of Millionaire and Married the Dashing, Aggressive Chauffeur.

New York, April 26. — Broadway learned today what it is to be on the prettiest telephone girl who ever said "Hello" along the Gay White Way.

Miss Charlotte Grace De Well was once the queen of the switchboard. She could have married millions, but she chose love in a little flat at 403 East Forty-second, with a handsome and dashing chauffeur who literally carried her away from her richer suitors.

In the Broadway Hotel, where Miss De Well, now Mrs. Frederick P. Fetter, formerly handled the wires, she was always the center of a host of admirers.

Edward C. Berry, a millionaire from California, was the most persistent. It looked hopeless for young Fetter, but his good looks and aggressiveness won the day. "Handsome houses and jewels cannot compensate love," she said today. "If two people love each other they can be happy without riches. But riches without love bring nothing but regret."

HOW'S THIS:
We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO. Toledo, O. We, the undersigned, have known F. J. E-M-F "30" Five-Passenger Touring Car, \$1250 f. o. b. Detroit
THE CAR WITHOUT A COMPETITOR

Startling, isn't it? But true, just the same. You never heard of such a thing? That's because you never heard of E-M-F "30" before. It is the first car and the only car to stand without a competitor. And I can prove it.

To begin with, look at it. Note its elegance, its perfection. Appeals to your pride, doesn't it? Looks like a \$2500 car—no bargain sale appearance about that, is there? Big, roomy, five-passenger touring car. Distinctive-looking as to color—royal blue with cream gears. Handsomest sort of black leather upholstery, shining brass lamps, deep-toned dragon horn.

From appearance to service. That appeals to your common-sense, of course. Push it, just as it stands. Nearly fell over, didn't you? That's because you were used to the way so-called competitive cars stand the test. This car is mounted rightly on its axles—that's the difference. Now guess its weight, as it stands. 2500 to 2700 pounds? Not much, she doesn't—that's what the average car weighs. But this isn't average. Completely equipped with tanks full of gasoline and oil, it weighs only 2200 pounds.

Try driving it—easy, isn't it? Can be steered with one hand—no complex workings about this car to get mixed up on at a critical moment. Try the springs. No, I said try them. Here! Jump up and down on this running-board—jump high! Doesn't phase it. I never saw those rear springs broken, even in an accident, and I doubt if they can be. Run quietly, doesn't it? The \$6000 cars don't put it over this car a minute on quiet running. Why, it's made right. That's why.

Oh, yes, you want to "speed," do you? Yes, it's 30 horse-power, just like the \$2000 to \$4000 cars. Has three speeds—all right, let her out. Nothing ahead of us here—smooth road—we're traveling now at 55 miles an hour. That's the speed you can get out of this car, if you want it.

Tires, you say. Morgan & Wright—and right here let me say that these tire-makers use 7-ply fabric where makes trying to compete with us use 5-ply. Mechanism? It's summed up in three words—"Made Right" and "Simple." Only three adjustable parts in the entire machine. Compare that with any car you choose.

And now the most important point of all—Price. The most sensitive spot about any man is his pocket-book. What would you think this car ought to be worth, when you see that \$2500, \$4000, even \$6000 cars can't be said to compete with it on all-around perfection? Say nothing, wouldn't you? That is to say, you'd feel like the price was prohibitive. But it's not. On the contrary, it's possible "like a house afire" to you and your family. \$1250 f. o. b. Detroit, including five lamps, horn, tools, tire repair outfit, pump, jack and magneto. Yes, sirree. Only \$1250. Hard to believe, isn't it? But true, just the same. Cost for gasoline? Runs 18 miles on a gallon—10-15 of a cent per mile. Tank holds 14 gallons. Runs 300 to 400 miles on a gallon of lubricating oil.

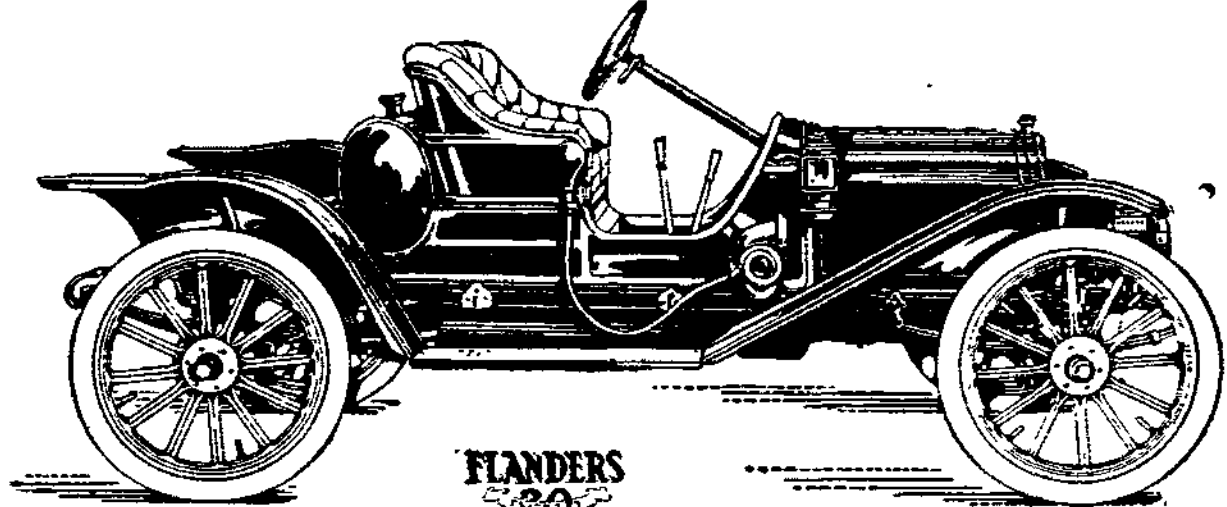

Now what do you think of that? No wonder we say: "THE CAR WITHOUT A COMPETITOR."

FLANDERS 20 RACY ROADSTER \$790

The Flanders 20 Has Arrived in Town

The Greatest Automobile Value the World Has Ever Known.

Jones—I think I will buy an automobile.
Smith—Well, be sure and get one like mine. Look at the fun I have.
Jones—Yes, and look at the tinkering you do to keep it running.
Smith—Oh, I don't do so much. I only have to adjust the low-speed bands on the transmission and adjust the reverse-band and see that the clutch has plenty of oil in it and polish the platinum contacts on the vibrator blades and adjust the vibrators and clean the spark plugs and remove the cylinder heads and scrape out the carbon, etc.
Jones—Is that all? Well, when I get a car it will be an E-M-F or a Flanders "20," because they have no bands on the transmission and the clutch don't require oil and has no platinum contacts to polish. Has no vibrators to adjust and the cylinders won't accumulate as much carbon in two years as yours does in two months, from the fact that too much oil is the cause of surplus carbon. When you burn coal, it makes ashes. After you burn oil, you get carbon. That's why an E-M-F or Flanders "20" goes twice as far as their nearest competitor. They only use oil for lubricating, not for fuel.
Smith—Well, I can go farther on a gallon of gasoline than you can with those cars. I can go 30 miles on a gallon.
Jones—I don't care if you can go 130 miles. I can go as far with the Flanders "20" or I can get my gasoline for nothing.
Smith—Well, you can't handle the sliding gear transmission.
Jones—Thanks, awfully. I notice that over 90 per cent. of the best cars in America use the sliding gear, and if 90 per cent. of the people can operate them, I ought to, and the Flanders "20" car has but one pedal where yours has three.
Smith—Well, I might get an E-M-F next year myself.
Jones—Well, don't overlook the Flanders, for they say it was the main attraction at the New York show, and many people considered it the prettiest car at the show—even said it ought to sell for \$1,150 instead of \$750.

FLANDERS 20 SUBURBAN \$790
